Justin

Chris opens his mouth to speak, but is cut off by Alexis.

ALEXIS
No, we're gonna stay home and finish unpacking.

Chris shrugs, then nods in agreement.

MADISON
Alright, we gotta go.

START

Madison takes one last look at Alexis, who is faced towards Chris and paying no attention to Madison.

Madison and Justin exit as the others dig into the pizza.

5 INT. MADISON'S BEDROOM - NIGHT (D2) 5

Madison is at her desk, working on homework, when Justin comes in through the window.

Madison watches as he sits on the bed, not at all surprised to see him.

MADISON
What, is that your own personal door now?

JUSTIN
What would you rather I do? Knock on the front door? "Hi Susan, I'm here to study with your daughter at..."
(looks at watch)
"...eleven at night?"

MADISON
Studying? Is that what we're calling it now?

Madison laughs a little, as she gets up from the desk and walks over to Justin.

She stands in front of him, her face a breath away from his.

MADISON (CONT'D)
This is so wrong.

JUSTIN
You're right, I'm sorry. I should go.

Justin begins to get up, but Madison's not having it. Instead she only smiles and kisses him as she sits straddling him.

MADISON
Alexis knows.

JUSTIN
Alexis knows...

MADISON
Alexis knows... about... this.

Justin stops kissing Madison and sits up.

JUSTIN
What? How?

MADISON
From yesterday, she figured it out.

Justin exhales and rests his forehead on Madison's shoulder.

JUSTIN
Awesome.

Madison laughs a little as she combs her fingers through his hair.

MADISON
Yeah.

Justin picks his head back up.

JUSTIN
So now what?

MADISON
I guess we either tell people... or stop.

Justin groans and puts his forehead against her shoulder again.

JUSTIN
What about secret option C?

MADISON
Oh yeah, what's that?

Justin picks his head up again and smiles.

JUSTIN
We don't tell people and we don't stop!

MADISON
Um... I don't think that was an option.

JUSTIN
Are you sure?

MADISON
Pretty sure, yeah.

JUSTIN
Okay, how about this. Why don't we just take some time to figure out what we're gonna do.

MADISON
And how would you suggest we fill this "figure out" time?

JUSTIN
You know, I hadn't really thought that far ahead.

Justin leans up to kiss Madison as she laughs and kisses him back as they lay back down on the bed.

MADISON
Yeah, this is definitely wrong.

6 INT. MOVIE THEATER - DAY (D3) 6

Madison and her co-worker ADAM (19) are standing behind the concessions counter wearing black pants, a white shirt with a black vest, and a red bow-tie.

There are no customers in the theater lobby, and it seems to have been this way for a while.

The two of them are absentmindedly picking at a cup of popcorn and just trying to fill the silence.

ADAM
So..

MADISON
So...

ADAM
Did you... have a nice weekend?

Justin

Madison looks back out the window, and sees the girl give Justin a hug.

MADISON
Yeah, sorry. I don't know what I was thinking. Let's grab dinner tonight.

ADAM
6?

MADISON
Sounds good.

ADAM
(smiling)
Cool.

Madison and Adam go back to the positions they opened the scene with, leaning against the counter and picking popcorn out of a cup.

Adam is trying to play it cool - but struggling.

Madison is trying not to look across the street to the record store, but is also struggling.

START

7 EXT. RECORD STORE - LATER (D3) 7

Madison walks across the street to the record store, still wearing most of her work uniform, though she's removed the bow-tie, and unbuttoned the vest.

Justin walks out of the store, and walks with her in the direction of his truck parked in an alley.

JUSTIN
How was work?

MADISON
Slow. You?

JUSTIN
Slow.

MADISON
(beat)
I got asked out on a date.

Justin says nothing, hardly reacts at all.

MADISON (CONT'D)
Is that weird?

JUSTIN
I guess not... no. You said yes, right?

MADISON
Yeah.

The conversation feels awkward, and totally unfamiliar.

MADISON (CONT'D)
(beat)
Is that... okay?

JUSTIN
Yeah... I mean, why wouldn't it be?

MADISON
I don't know... I don't really have a reason to say no... do I?

Justin walks in silence for a second, then speaks without looking at her.

JUSTIN
(hesitant)
Not really, I guess.

MADISON
Well, there we are then.

They walk in silence for a minute. Madison tries to lighten the mood.

MADISON (CONT'D)
It was bound to happen sooner or later, I guess.

JUSTIN
Yeah.

MADISON
I mean, I am quite the catch.

Justin smiles, though he's clearly not paying attention.

They arrive at the truck. Justin unlocks it, but Madison makes no move to get in.

JUSTIN
Aren't you getting in?

SC 2/PG 2

MADISON
Um, no, I think the walk here was sufficiently awkward enough for me. I'm gonna walk.

JUSTIN
It's okay... the date thing. I mean, we never really talked about it. But if you want to do it - you should do it. I mean, we were gonna take some time to think, so...

MADISON
Yeah... hey, have fun tonight.

Justin and Madison share a look of uncertainty. Neither one sure of the conversation they've just had.

MADISON (CONT'D)
See ya.

Madison walks off as Justin gets in the car and drives off.

8 INT. MADISON'S BEDROOM - DAY (D3) 8

Madison is checking her e-mail at her desk, while Jack lies on the bed, reading the latest Cosmopolitan.

JACK
Did you know that 74% of woman would take back their boyfriend if he cheated on her?

Madison looks at Jack curiously.

MADISON
Studying for something?

Jack holds up the magazine to show Madison.

JACK
All you have are chick magazines.

MADISON
Sorry, my usual Trucks and Boobs Quarterly is running a little late right now.
