

INT. HIGH SCHOOL - CLASS ROOM

Daria sits in her desk an impatient moment. The sounds outside getting worse. Finally she can't take it anymore. She gets up and opens the blinds. She recoils in horror. As she backs away hands appear banging on the windows from outside.

Suddenly there is a sound in the room with her. She spins.

It's Anthony.

ANTHONY

What the hell? Where's Mr. Stephens?

DARIA

He's out there.

Anthony tries to walk toward the window.

DARIA

NO! Don't go over there. I think they were eating him.

ANTHONY

Something is wrong. Something really wrong.

The mutants pound again on the window.

DARIA

Shit. We have to get out of here.

ANTHONY

Where are we going to go, have you looked out there? This isn't hapening. This isn't real.

DARIA

This is happening and we need to think.

ANTHONY

What are we going to do?

The crowd at the window grows more aggressive.

DARIA

We have to find some where safe. We have to go.

ANTHONY

I can't go out there. I can't die  
like that.

DARIA

Just calm down. Listen to me.  
It's going to be okay you just have  
to trust me okay?

ANTHONY

Okay.

DARIA

Okay?

The window smashes and glass falls to the floor.

They leave.
